The midnight wolf is a mystical being. Though he protects all forest, he stays in a certain forest called The Nighttime Kingdom. Grandpa says that The Nighttime Kingdom is full of magic and wonder but can only be seen by those who have a good and wild soul. We had asked him if he'd seen it, and he said he thinks so. My older sister thinks this is all bogus and that Grandpa only wants us to think that his soul is good, but me and my younger sister believe Grandpa. We asked him where the kingdom was, and he answered that it was in the small town of Rivernook, where Grandpa grew up.
